➔ *Participation at the Working Camp has no age limit, but the access to extra fundings above mentioned is possible only for participants until 30 years old.*

x International camps:

From 30th of July to the 13th of August 2021 Agape Centro Ecumenico organizes the international camps. Agape has been an international centre since its birth 70 years ago, and in the years it has organized several international camps. This year all camps will work on a general macrotheme developed through three different perspectives:

[#StayHome?](#) [#StaySafe?](#) - Housing across theology, economy and gender

Everyone who is interested in the theme of a camp and who is willing to be involved in it's community life is able to take part in it. These are the basic things that are needed in order to have meaningful meetings with each other and a real exchange of ideas. Participation has no age limit, and will be open for a group of 20/25 people.

The program has a participation fee but Agape offers the possibility to apply for a scholarship in order to support participation.
